

Winter Park Chamber Trustee Levels

At the core of any Chamber beat the hearts of Chamber Trustees - companies and individuals who lay the foundation for success through their investments in the future.

Trustees desire to support the community, network with their business peers, and have a voice in the business climate of the City.

“ *Being a business that really wants to reach out to the community, it made perfect sense as a Chamber member to take advantage of the Trustee package. Not only do we support the Chamber, but being a trustee allows us a valuable way to connect with the community and other members.* ”
